Data Protection

St Nicholas' will only use the information provided by you to assess your suitability to volunteer with us. We reserve the right to gather information from your references, but will not contact other parties without asking you first. In addition, we request information on a separate sheet which will be used for data collection for our Heritage project in terms of equal opportunities. This information is always kept separate from personal details and remains confidential. It enables us to check whether we are attracting a range of volunteers from different backgrounds and to take action if not.

THANK YOU FOR COMPLETING THIS FORM
