### THOUGHT FOR THE WEEK — Shirley Fairclough

So many things and situations bring a sense of wellbeing for me – quiet contentment with my life, the love of family and friends, freedom to share and express thoughts on all sorts of subjects, hearing the laughter of a child, feeling the sea breeze on my face and being thankful for all the people who have shaped my life.

On the last point, it's amazing when I think of past teachers, friends, Mum and Dad, work colleagues - but most of all our Saviour Jesus Christ. He came into my heart when I was 12 years old and I've done my best to follow Him ever since. He has been a loving presence through all the ups and downs of life.

It will soon be 52 years since I became a Mother and this gave me a sense of great joy and still does! Subsequently the arrival of grandchildren fulfilled my life, sharing my days, giving me a great sense of wellbeing. It doesn't have to be a big thing to do this, but the quiet simple things can do the trick – a smile, a hug, someone asking how I'm feeling.

**We're gathering in church this Sunday 22nd February at 10.30 am for our second Well-Being Service – an informal mix of fellowship and refreshments, prayers, reflection and activities for all ages. Everyone will be most welcome to come along for spiritual sustenance.**

Always pray to have eyes that see the best in people, a heart that forgives the worst in people and a soul that never loses faith in God.

Until next time, remember to always be thankful for what you have.

God bless.
